R.C. No. 1450 B/29

Station Madras , *Dated the* 3rd September 1929.

From (Name) R.G. Grieve, Esq., M.A., F.R.G.S.

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

In submitting herewith the letter C.R.No.343/29 dated 10-7-1929 from the President, Taluk Board, Hospet, I have the honour to state as follows :-

2. Government sanction subsidy to local bodies towards equipment only in the case of new Schools opened for the first time with the aid of Provincial funds. The President's request is not therefore supported. Similar requests have been refused by Government -(Vide G.O.Nos. 1876 L.E. dated 4-10-1926 and 1724 Mis. Education dated 19-8-1929.)

3. The adequate provision and replenishment of

of equipment for its Elementary schools is a matter which should have a first call on the funds of the Taluk Board. If the Board is unable to find funds for supplying the necessary furniture and equipment it should consider the advisability of levying an Education cess, or alternatively of curtailing expenditure in other directions.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instructio

Madras

Sir,

I have the honor to bring to the notice of the Government that the furniture books and maps &c supplied to the Elementary schools under this Board some years ago have all become old & worn out & that reports from each and every school are pouring in like anything every day. Want of funds is in the way of the compliance of the reports. A rough estimate of their cost works up to about Rs. 5000/- In view of the limited resources of the Board, I request that you will be good enough to move the Government for a grant of Rs 5000/- to this poor Taluk Board.

I have the honor to be,
Sir,
Your most obedient servant

ORDER.

No. 1541, dated 18/9/1929.

The Govt. are unable to accede to the request of the Taluk Board, Hospet, that it may be granted a subsidy towards the equipment of its elementary schools. The taluk board is advised to consider the question of levying the education tax so as to improve its resources under the elementary education account.
